

OUTREACH PLANNER

Start Something

Plan a project that serves your school, church, or street

“Faith, if it hath not works, is dead.” — James 2:17

LET'S MAKE IT HAPPEN

From idea to action

Big change usually starts with one young person who decides to do something. This planner walks you through turning a God-given idea into a real project. Fill it in, pray over it, and bring it to a youth leader who can help you launch.

1. My project idea (what would you love to do?)

2. Who does it help, and why does it matter?

3. What does success look like?

4. The first 3 steps to get started

5. Who could help me (team, leaders, mentors)?

6. What do I need (people, permission, supplies, budget)?

7. Target date

Start: _____ Finish/Event: _____

Pray over it: Ask God to guide your steps, open doors, and use your project for His glory and someone else’s good. “Commit thy works unto the LORD, and thy thoughts shall be established” (Proverbs 16:3).

My prayer for this project
